

Environmental Policy Statement

Doc: 8.1.2.3

Version: 03

Date: 14/05/2019

Page 1 of 1

Lanyonscapes strives to be an industry leader within the revegetation and landscaping industry through the provision of quality services. We are committed to ensuring we deliver quality products and services that fully meet the needs and expectations of our Clients at all times.

Lanyonscapes is committed to undertaking its business in a manner that recognises the importance of environmental protection and sustainability. We are committed to minimising environmental impacts in all our operations by:

- Complying with all applicable laws, regulations and statutory obligations relating to environmental issues
- Managing environmental and related issues in accordance with any client requirements, policies and procedures
- Maintaining an Environmental Management system that enables us to manage, monitor and review our environmental performance
- Minimise waste by evaluating operations and ensuring they are as efficient as possible
- Actively promote recycling both internally and amongst its customers and suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Meet all the environmental legislation that relates to the Company
- Taking all practicable steps to prevent pollution, dust and other adverse effects
- Identifying, reporting, investigating and resolving all environmental incidents and non-conformances
- Educating and training our people to continually improve awareness, skills and knowledge of environmental issues and practices

Management Approval

Managing Director
